Welcome Students...

We are pleased to provide you with this summary of the 2023 – 2024 Student Health Insurance Plan (“Plan”), which is fully compliant with the Affordable Care Act. This is only a brief description of the coverage(s) available under Certificate form NY SHIP Cert (2023). The Certificate will contain reductions, limitations, exclusions, and termination provisions. Full details of coverage are contained in the Certificate. If there are any conflicts between this document and the Certificate, the Certificate shall govern in all cases.

“Benefits at a Glance” includes effective dates and costs of coverage, as well as other helpful information. For additional details about the Plan, please consult the Plan Certificate and other materials at www.wellfleetstudent.com.

This is not an insurance Policy and your receipt of this document does not constitute the insurance or delivery of a policy of insurance. Any provisions of the Policy, as described in this Summary, that may be in conflict with the laws of the state where the school is located will be administered to conform with the requirements of that state’s laws, including those relating to mandated benefits.

The information contained in this Summary is accurate at the time of publication, but may change in accordance with state and federal insurance regulations during the course of the Policy year. The most current version of this document will be posted online at the website listed on the cover. In the case of a discrepancy between two versions of the Summary, the most recent will apply.

School Letter to Students and Parents

Dear Students and Parents:

Sarah Lawrence College is committed to promoting good health and meeting the medical needs of its students. A health insurance plan allows students to know that they can receive the services they need in the event of a sickness or injury.

The College requires all students to carry adequate medical insurance to help cover the extra expenses of medical treatment that are not covered at the Health and Wellness Center. The Student Health Plan ("Plan") provides coverage to students for a 12-month period, August 15, 2023 to August 14, 2024. The Plan includes a local and national network of Participating Providers and is designed to be an affordable option. Sarah Lawrence College urges you to enroll in the Plan for several reasons.

To assist you in making an informed decision regarding your student's health insurance needs, here are some general questions to ask your current health plan to ensure that it provides adequate coverage:

- Does your current health plan provide coverage while in the area of the Sarah Lawrence College campus? Some HMO plans provide coverage for Emergency Treatment only, while out of area of the local HMO.
- Does your current health plan cover the student as long as they are a registered student at Sarah Lawrence College?
- Does your current health plan cover mental health services?
- Does your current health plan provide coverage anywhere in the world, including medical evacuation and repatriation benefits, while the student is away from campus for academics, research, work, or vacation? Some employer-sponsored plans will only provide coverage while in the United States, and some do not include any medical evacuation or repatriation benefits.
- Does your current health plan include a nationwide network of Participating Providers, guaranteeing acceptance of your insurance plan, and reducing the student's out-of-pocket expenses? Some employer-sponsored plans are managed-care type plans, with a regionally-based participating provider network.
- Does your current health plan include Prescription Drug coverage, and a nationwide network of member pharmacies? Some employer sponsored plans do not provide prescription drug coverage, or only very limited benefits available at certain local pharmacies.
- Does your current health plan include coverage for Intercollegiate Sports? It is possible that some employer-sponsored health plans exclude coverage for all Intercollegiate Sports related injuries.

While the majority of students' health issues can be met by Health and Wellness Center, there are times when outside specialists or additional consultation is warranted. At such times, the Student Health Plan endorsed by Sarah Lawrence College provides coverage worldwide and allows students to seek care from any licensed provider, once the referral from Sarah Lawrence College Health Services is made. Students also have access to a nationwide Participating Provider Network, as well as a national network of member pharmacies.

When students use a participating provider, their out-of-pocket expenses can be limited as students' coinsurance expenses are based on negotiated Participating Provider fees. The Plan provides coverage for expenses relating to injury or sickness including diagnostic testing, lab and x-ray services, doctor visits, and prescription drugs.

New and returning students for the 2023 - 2024 Academic Year who determine that they have existing comparable coverage will need to complete and submit the online Waiver Form by July 14, 2023. It is your responsibility to carefully compare your current insurance plan with that offered by SLC to ensure that the coverage is truly comparable. By signing the waiver, you are attesting to the fact that you are familiar with both plans and will be responsible for providing for your student's medical and/or mental health needs should your own insurance prove insufficient. **If you do not have comparable health insurance, or do not submit the online Waiver Form by July 14, 2023, you will be required to purchase the Student Health Plan and will automatically be enrolled.**

We encourage you to read "Benefits at a Glance" and take the time to make an informed decision regarding your health coverage. If you have questions regarding the Student Health Plan, please contact Wellfleet Student at (877) 657-5030, TTY 711 or www.wellfleetstudent.com.

Yours truly,
Mary Hartnett R.N.

In such cases, the student would be informed, if possible, and only the necessary information would be released.

There are no fees for any of the regular services provided by the Health and Wellness Center staff. In-clinic lab tests, vaccinations and some medications are provided for a fee to cover costs. Any medications not available at the Health and Wellness Center may be purchased at a local pharmacy and might be covered by insurance, depending on students' insurance plans. Special diagnostic services such as laboratory tests, X-rays and diagnostic procedures are provided off campus.

Consultations with specialists in the community, as well as off-campus diagnostic procedures, are covered according to the Sarah Lawrence College Student Health Plan only after a referral is made by Sarah Lawrence College Health and Wellness Center staff.

(Please refer to the Certificate for any details regarding referral requirements.) Students who waive participation in the Sarah Lawrence College Student Health Plan should check with their own insurance companies regarding coverage.
