

Staying healthy

Simple ways to use our provider search tool

Option 1: Already a member?

- Once you're logged in to your Aetna® account, click the **"Find Care"** header.
- Then, click **"Find what you need by category."**
 - You'll see many subsets of care. Just choose the one that meets your needs. For this exercise, we'll select "Medical Doctors & Specialties."
- Search for the doctor or specialist that best meets your needs. For this exercise, choose "Doctors (Primary Care)."
- Once you're on the primary care physician screen, select the type of provider you need. For this exercise, choose "All Primary Care Physicians."
- You'll get a list of in-network providers in your ZIP code. **Make sure you update your profile to have your current ZIP code.** You can compare doctors, review ratings and see costs for out-of-pocket copay visits.
- Select your doctor and schedule an appointment.

Option 2: Continue as a guest

- Enter your ZIP code and the search radius of the area where you're looking for a doctor. Click **"Search."** In this example, we're using "25 miles."
- Select your health plan and click **"continue."** You can find your plan name on your ID card.
- Scroll to the "Find what you need by category" section, where you will see many subsets of care. Choose the one that meets your needs. For this exercise, select "Medical Doctors & Specialties."
- Search for the doctor or specialist that best meets your needs. For this exercise, choose "Doctors (Primary Care)."
- Once you're on the primary care physician screen, select the type of provider you need. For this exercise, choose "All Primary Care Physicians."
- You'll get a list of in-network providers in your ZIP code. **Make sure you update your profile to have your current ZIP code.** You can compare doctors, review ratings and see costs for out-of-pocket copay visits.
- Select your doctor and schedule an appointment.
